July/August 2011 Newsletter

From the President

I hope everyone is enjoying the riding season even though we have had quite a few wet spells this year.

Please remember to remain on the trails and roads indicated on our trail map. Use of roads or trails currently not authorized could jeopardize our chances of getting permission for future use of trails or roads from our surrounding municipalities and/or landowners. We appreciate your cooperation and thank you.

Many of our club's trail signs are becoming overgrown with weeds and grass. We are asking for help from members to weedwack around signs as you ride the trails (if you have some extra time). If you do not own a weedwacker, the club owns three that are available for use.

We could really use the help. Please contact Jermey at 592-8626 or Derek at 289-4397 if you would like to help out. Thanks in advance for your help.

Please remember to view our club calendar, blog, and facebook page for details on other upcoming events and work details.

Annual Club Campout

Our annual club campout will be on Friday, August 12th through Sunday, August 14th at Dick Lunkenheimer's camp. The club cookout will be Saturday, the 13th at noon. The club will be supplying the meat. Please bring a dish to pass and your own beverages. Please RSVP to prlunk@citlink.net by August 3rd so we can get an idea of how many club members will be attending.
