May/June 2012 Newsletter

From the President

I would like to thank everyone who helped with getting the trails open and ready to ride for the season. Please make sure when riding the trails to ride offset so you don't create ruts. Deep ruts on the trails mean more trail maintenance in order to keep the trails safe for all trail users.

I am looking for some members to help out and be in charge of looking after a section of trail. If you are interested in doing this, please contact me at the number at the top of the newsletter.

We are still trying to sell the old club property. Proceeds from the sale will go towards building a club storage building on the new property.

June 2nd we will be having a Best Hand trail benefit ride to raise funds for trail maintenance. The ride will start at the American Legion, TC's in Cato, and the Old Dad's Diner parking area in Hannibal. The ride start starts at 9am and you must be present at the American Legion at 4 pm to draw cards. You will collect 7 stamps from participating sponsors. For more details, you can view the flyer on the website. Anyone interested in helping out at the ride please contact Jermey at 592-8626.

Reminder:

Don't forget to use your parking passes when using the parking areas.
