February/March/April 2012 Newsletter

From the President

We finally worked out a deal on the land that we have been trying to buy on Muck Road. We signed the final papers a few weeks ago. Now we will be getting the fallen building and debris cleaned up on the lot. This year hopefully we can come up with some new ideas for fundraisers to raise enough money to build a club storage building on the lot. The lot has a lot of potential for the club because it already has a well, septic and electric. Any ideas you have for fundraisers please bring to the next club meeting on Wednesday, February 1st at the South 40.

Memberships

A 2012 Membership application is enclosed with this newsletter for new members or renewals.

Please remember that we still have lottery calendars to sell. If you would like to get some lottery calendars please contact Regina Lunkenheimer at 947-6052. We will be selling lottery calendars until the end of February.

Our members' continued support is what keeps this club going. Let's try to make this lottery calendar fundraiser a success for the club again this year.

Over the next few months, we will be building a new bridge to replace the Wheel-a-Way Bridge. Also, if the weather holds out, we will be cleaning up the property we just purchased. If you are available to help on either of these projects, please contact me at 592-8626.
