## September/October 2011 Newsletter

### From the President

The memorial area for our former president, Jim Marra, has been finished. It is located just off the Oswego County trail heading towards the American Legion. We had a club ride on August 28<sup>th</sup> in honor of Jim that lead to the memorial area and also went to the American Legion.

When you are out on the trails and see tree branches or weeds that need to be trimmed, please take the time to help out and maintain the trails. This will help make the trails safer for all members to ride. Every little bit helps make the trails better.

Please remember that if you bring a friend to ride on the trails, they need to get a one-day pass or join the club. This is due to our insurance policy for the club.

Please remember to view our club calendar, blog, and facebook page for details on other upcoming events and work details.

The club was not awarded the Yamaha grant this year. We had planned on purchasing an additional tractor to help maintain club trails. We will try again next year.

The club campout had a good turnout this year. A big thank you goes out to all who helped put it together and for those who attended.

We are also working on getting the road to the Sandhill IOOB Club open to ATVs.

If anyone has pictures taken while riding club trails and you would like them posted on the website, please email Jermey Bomgren at [jbomgren1@yahoo.com](mailto:jbomgren1@yahoo.com) or call 592-8626.
