 Ride Coordinators: Mike Blasczienski..806-1933  
 Webmaster: Tom Bailey  
 Memberships: Pat Marra.....564-6619

## September/October 2012 Newsletter

### From the President

We would like to thank our current trail bosses for all of the time and effort you have put into this riding season. The new club building should be built soon on our club property. Also, we have updated our club bylaws and code of conduct. You may view these on our website.

### Trail Help Needed

We are in need of more trail bosses. The few we have now have done a great job this year but these same few can't keep up with all the work that needs to be done. Each trail boss will ride a section of the trail system and note what work needs to be done. The trail boss would contact the Trail Coordinator with supplies needed and how many workers would be needed to complete the job as well as set up a day/time to complete the work.

We also need a Trail Coordinator. This person would be the contact for all the trail bosses and get needed supplies and volunteers to help with work details. If you are interested in one these jobs, please see one of our officers at the September meeting or contact by phone.

### Memberships

We have had several issues with our memberships this year. Although few in number, they have caused a great of frustration to our club. We would like to prevent these issues from happening in the future.

For a single (individual) membership, the cost is \$25 and only one club sticker will be issued.

For a family membership, the cost is \$30 and this includes 2 adults and 1 child under the age of 18 that resides in the same household. The third person **must** live in your household and be your child. If you have more children, we will issue up to 2 additional stickers. These stickers must be requested from the Membership Officer (her name and number is listed above).

Dirt bikes are **not allowed** on our club trails or on the county trails. No stickers from the Oswego Valley ATV Club should ever be put on a dirt bike.

The donation in lieu of work details is \$10. If you opt out of this, you will be asked to help out on trails and at other events. We also help out at the Fair Haven and Hannibal parades. This includes member volunteers to ride their ATVs behind the club float. Other events are our annual chicken barbecue on Nascar Sunday and our Best Hand Rides.

We have updated our applications. We are now requiring on our application that for each sticker you are asking for, you provide the year, make, model, insurance carrier, insurance policy number, and expiration date of the policy. Stickers for machines must be placed on the left side rear fender next to the seat. We also are including a copy of the club's code of conduct on the back of the membership form. Please read and sign that you have read it. The new application is available on the website to view.

If you have an email address, it would be greatly appreciated if you would be willing to receive your newsletter by email. We are currently mailing 185 newsletters at a time. This month's newsletter will be the final one of the season. The next newsletter will be sent out in January of 2013.

Due to bow season starting **October 1<sup>st</sup>**, we will need to close the trails early this year. The trails need to be closed at least **5 days before the start of the season. All club trails will close on Tuesday, September 25<sup>th</sup>**. Because of this, we have changed the day of our Best Hand Ride to **Saturday, September 15<sup>th</sup>**.

### Next meetings

The next **regular meeting** of the season will be held on **Wednesday, September 5th, 2012** at the IOOB Club #1647 in Fairdale beginning at **7:00pm**.

The **October** club meeting will be held on **Wednesday, October 3rd, 2012** at D.S. Humphrey's beginning at **7:00pm**.

### Club Officer Nominations

New club officer nominations will be held at the September meeting for the offices of president, vice president, treasurer, secretary, board members, and newsletter editor. Elections will be held at our October meeting. Due to not having enough family time, I will not be running for president for next year. I still will be involved with helping the club and will do all I can to support the club. I would like to thank all of those who have supported me during my time in office.

### Attention!

Remember that when you are riding club trails or riding in a parade you are representing the club as a whole. This means not doing donuts and tearing up the trails or being unnecessarily loud. Also, we ask that you do not pull wheelies during parades or rev your engines. Parades are not the time or place for showing off. Please ride respectfully no matter where you are. If we start losing landowners one by one because of disrespectful riders, there will no longer be a trail system to ride.

### Reminder:

Don't forget to use your parking passes when using the parking areas.
