September/October 2010 Newsletter

From the Secretary

Thank you to all who sold and purchased gas cards over the last few months. Winner of the \$200 card was Jeanine Blais and Roger Smith won the \$50 card. Thanks again for your support. We raised \$563.50.

Also a big thank you goes out to Ken Malone Excavating for all the time and labor donated in helping us fix the trail behind the IGA. Great job done helping us preserve our trail system with our landowners.

Thank you to all who volunteered time and/or machines to ride in both the Fair Haven and Hannibal parades.

Thanks to all who attended Royce and Dale's campout. It was very well attended. They had over 90 participants this year!!

CONGRATULATIONS TO JERMEI AND KATIE BOMGREN!!!! They have welcomed home Charles Frederick Bomgren born on August 20th. Charlie weighed in at 8 lb 8 oz. All are doing well!!!!

Nominations for Club officers will be held at our September meeting.

Elections will be held at our last meeting for the year in October. Our current President-Jim Marra, will not be running this year due to illness.

This person will report to the president and vice president of the club on decision-making and purchases (looking into purchasing needed materials, etc). Trail work will be posted on the blog as usual for the remainder of the year. A lot of work needs to be completed before hunting season. A meeting of the trail bosses was held in August to prioritize the list of items yet to be completed. A push to try and complete this list will be done (weather cooperating) between now and middle of October. For the remainder of the year, Molly Baum and Kathy Gilbert will be helping out making calls to see who is available for specific details. The trail bosses will be contacting them as to dates, times and locations. Molly will be making the calls until middle of September and then Kathy will be making them until end of season. We appreciate their help. If anyone is interested in helping out with this detail for next year, please contact Regina at prlunk@citlink.net or 947-6052.

PLEASE SUPPORT OUR SPONSORS!

Note to ALL club members:

When riding the County trails please ride offset (not straight down the center) so we are not making ruts in the trail. Also, when you are riding all of our trails please yield to pedestrians, horseback riders, hikers, and bicyclists on the trail. This means at least stopping for horses and slowing down for people. Also, when you are getting close to houses please slow down to reduce dust.

Please note this will be our last newsletter of 2010. We will be mailing our next newsletter out in January 2011!!!!
